Axelero Demo Corp - Fiscal Year 2025 Annual Financial Report
Published: January 2026

1. Executive Financial Summary
In fiscal year 2025, Axelero Demo Corp achieved outstanding financial growth.
Total revenue in fiscal year 2025 reached $199.9M ($199.9 million), driven by massive cloud adoption.
Operating margin expanded significantly from 14.2% to 17.6% over the course of the fiscal year.
Customer retention remained robust as net customer churn improved from 6.8% to 4.9%.
Average Contract Value (ACV) increase was 24% year-over-year.

2. Global Operations & Expansion
Axelero Demo Corp expanded its international footprint by establishing a new primary engineering and research office in Pune, India, in October 2025 (Oct 2025).

3. Enterprise Risk Factors
Key operational risk factors include global semiconductor supply chain delivery bottlenecks and foreign exchange currency fluctuations in European markets.
